## ECON 3070-001 Intermediate Microeconomics

**Examinations** All exams will take place in the regular class room on the dates listed below.

Mid-term Examination 1: Oct 04 (Friday), Regular class hours, so you will have 50 minutes.

Mid-term Examination 2: Nov 11 (Monday), Regular class hours, so you will have 50 minutes.

Final Examination: Dec 16 (Monday) between 4:30 and 7:00PM

You should consider these dates to be rm and put them in your schedule. If there is any change, it will be announced su ciently in advance. There will be no make-up exam. Make-ups for any exam will be allowed under compelling circumstances. Any make-up exam will be taken prior to the actual exam date, so you are required to make prior arrangements before the exam date. Each exam will be composed of multiple choice and short answer questions. You should bring your simple calculator to the exam. Exam questions will be based on material covered in lecture and the problem sets. I will distribute the mock exam before the test. **Note that** if you have 3 or more nal examinations on the same day, they can arrange to take the **Last Exam** scheduled that day at an alternate time. It is their responsibility to notify you no later than six weeks into the semester and they must provide proof that you are administering their 3rd, 4th, or 5th exam of the day.

**Homework**: There will be ve problem sets but only the best four will be counted. The maximum score on each assignment will be 100 points. You could discuss homework questions with other students but you should turn it in with your own work. Due dates for each homework will be announced in advance and no late assignment will be accepted.

**Participation:** This will be based on your attendance and your participation during class.
