I will answer emails between 9am and 5pm from Monday to Friday. I will do my best to return emails within 24 hours. I will not answer to those asking questions answered in the syllabus (grading, office hours/location). If you email me a question about lectures, exams, or assignments I will most likely encourage you to come talk to me about it during my office hours.

Below is an outline for the semester. The topics are subject to changes. So you should take this as a guide and not set in stone. However, the midterm and final dates are firm.
